**DARJEELING** ~ Fruity, floral and astringent, this tea is from West Bengal, India.

**EARL GREY** ~ Named after the 2nd Earl Grey, British Prime Minister in the 1830s & author of the 1832 Reform Bill, who reputedly received a gift of tea flavoured with bergamot oil, from Southeast Asia.

**EARL GREY ROSE PETAL** ~ Earl Grey, accompanied by the spicy flavour of dried rose petal.

**MASALA CHAI** ~ This spiced tea is known for its abundance of warming spices of ginger, cardamom, cinnamon, coriander, clove and black pepper. This is served with a jug of steamed milk.

### Caffeine Free

**CHAMOMILE** ~ This native flower of Russia produces a delicate & sleepy tea.

**DECAF BREAKFAST TEA** ~ High quality black tea with the caffeine removed, but with the depth of flavour left intact.

**LEMON VERBENA** ~ A leafy herb with a wonderful lemon flavour. Delicious on it's own as a herbal infusion without acidity. It is believed to help aid digestion & alleviate stress.

**MIXED BERRY INFUSION** ~ Amazing flavours of red berries blended with dried apple pieces, rosehips and hibiscus.

**ROOBIOS** ~ This tea has no caffeine & is low in tannin and can be enjoyed all day, an extremely relaxing tea.

### Green Teas

**GREEN** ~ Made from young green tea buds from China. This tea has a delicate, refreshing taste.
