Black Tea

ENGLISH BREAKFAST ~ English breakfast tea is a blend of several black teas, with ours taking its flavour from the highlands of East Africa.

DARJEELING ~ Fruity, floral and astringent, this tea is from West Bengal, India.

EARL GREY ~ Named after the 2nd Earl Grey, British Prime Minister in the 1830s & author of the 1832 Reform Bill, who reputedly received a gift of tea flavoured with bergamot oil, from Southeast Asia.

EARL GREY ROSE PETAL ~ Earl Grey, accompanied by the spicy flavour of dried rose petal.

MASALA CHAI ~ This spiced tea is known for its abundance of warming spices of ginger, cardamom, cinnamon, coriander, clove and black pepper. This is served with a jug of steamed milk.

Caffeine Free

CHAMOMILE ~ This native flower of Russia produces a delicate & sleepy tea.

DECAF BREAKFAST TEA ~ High quality black tea with the caffeine removed, but with the depth of flavour left intact.

LEMON VERBENA ~ A leafy herb with a wonderful lemon flavour. Delicious on it's own as a herbal infusion without acidity. It is believed to help aid digestion & alleviate stress.

MIXED BERRY INFUSION ~ Amazing flavours of red berries blended with dried apple pieces, rosehips and hibiscus.

ROOBIOS ~ This tea has no caffeine & is low in tannin and can be enjoyed all day, an extremely relaxing tea.

Green Teas

GREEN ~ Made from young green tea buds from China. This tea has a delicate, refreshing taste.

PEPPERMINT TEA ~ Our peppermint tea is aromatic, refreshing and revitalising. Digestive aid. Drink in the morning for an invigorating start and after a meal to help calm the tummy.
